CONDITIONS OF SUBMISSION:

AUTHOR'S RETAINED RIGHTS: The author or authors (singly or collectively, "Author") retain all rights to copyright, including the right to reproduce their article (the "Article") in any media at any time provided that if the Article is republished, the Author ensures the inclusion of a statement that acknowledges and declares the Journal of the Canadian Health Libraries Association/ Journal de l'Association des bibliothèques de la santé du Canada ("JCHLA/JABSC") as the primary source of the Article.

The following statement will appear in any publication of the Canadian Health Libraries Association/ Association des bibliothèques de la santé du Canada ("CHLA/ABSC") in which the Article first appears: "The authors retain copyright to the articles published in the Journal of the Canadian Health Libraries Association/ Journal de l'Association des bibliothèques de la santé du Canada (JCHLA/JABSC). Readers may copy and use any articles published in this journal provided that they acknowledge the authors and the Canadian Health Libraries Association / Association des bibliothèques de la santé du Canada (CHLA/ABSC) in the copy."

AUTHOR'S GRANT OF RIGHTS: The Author grants to the Canadian Health Libraries Association / Association des bibliothèques de la santé du Canada (CHLA/ABSC) exclusive, worldwide first publication rights for the Article named above in the Journal of the Canadian Health Libraries Association/ Journal de l'Association des bibliothèques de la santé du Canada (JCHLA/JABSC) or other CHLA/ABSC publications.

The Author further grants to CHLA/ABSC a nonexclusive license to publish, print, copy, transmit, display, distribute, archive, revise, and create new works derived from the Article (including the right to grant sublicenses to third parties to do all of the foregoing), for the duration of the Article's copyright, in all languages, throughout the world, in all media and formats. The Author agrees and acknowledges that the foregoing license creates the right, but not an obligation, for CHLA/ABSC to do any or all of the foregoing.

In addition, the Author of this Article grants to all users a free, irrevocable, worldwide, right of access to, and a license to copy, use, distribute, transmit and display the work publicly and to make and distribute derivative works, in any digital medium for any responsible purpose, subject to proper attribution of authorship.

AUTHOR'S WARRANTY: The Author warrants that this submission is an original work and does not infringe upon any copyright, proprietary right or any other right of any third party. If the Article, or any part of the Article is a reprint, the Author must provide documentation of permission from the original source.

The Author will indemnify, defend, and hold harmless CHLA/ABSC and its directors, officers, employees, and agents from and against any and all claims, liabilities, obligations, judgments,

causes of action, costs, and expenses (including reasonable attorneys' fees) arising out of Author's breach of any of these warranties.

AUTHORSHIP RESPONSIBILITY: The Author certifies sufficient participation in the intellectual content, the analysis of data, if applicable, and the writing of the Article, to take public responsibility for it. The Author has reviewed the final version of the Article, believes it represents valid work, and approves it for publication. Moreover, should the editors of JCHLA/JABSC request the data upon which the Article is based, the Author shall produce it.

CORRECTIONS AND MODIFICATIONS: CHLA/ABSC reserves the right to edit and modify the Article pursuant to JCHLA/JABSC's editorial and publishing policies, and to return the Article or any portion of it to the Author to make any corrections or modifications that the Journal deems necessary.

DISCLAIMER: The Author warrants that this Article contains no libelous or unlawful statements and does not infringe on the rights of others. If excerpts (text or figures) from copyrighted works are included, written permission will be secured by the Author prior to submission, and credit will be properly acknowledged.

INSTITUTIONAL REVIEW BOARD/ANIMAL CARE COMMITTEE APPROVAL: The undersigned Author certifies that his/her/their institutions have approved the protocol for any investigation involving humans or animals and that all experimentation was conducted in conformity with ethical and humane principles of research.

FINANCIAL DISCLOSURE: The Author certifies that they have no commercial associations (e.g. consultancies, stock ownership, equity interest, patent-licensing arrangements, etc.) that might pose a conflict of interest in connection with the submitted Article, except as disclosed on a separate attachment. All funding sources supporting the Article and all institutional or corporate affiliations of the Author are acknowledged in a footnote.
